Work Experience

Digital Shopper
Walmart · Winter Garden, Florida, United States   Sep '22 - Present

·Order Fulfillment & Accuracy - I efficiently pick, prepare, and process customer orders with attention to detail to ensure timely and accurate deliveries.

·Team Collaboration & Team Work – I work closely with team members to coordinate order preparation and assist drivers to providing a smooth and efficient pickup or delivery experience.

·Excellent Customer Service – I provide friendly and proficient assistance, ensuring a positive shopping experience by addressing customer needs and resolving issues efficiently.

Projects

Portfolio - Fundamentals of Interactive Design

This portfolio was created for my "Fundamentals of Interactive Design" course at the University of Central Florida. In this project, I used HTML and CSS to build the site, and included JavaScript for added functionality and interactivity.
